ABOUT US

Since 2002, AVE has built our reputation as one of the most reliable names in the AV industry. We're renowned for our exceptional dry hire solutions and our flawless track record in delivering top-notch technical production for events of all sizes across Australia.

Our meticulously maintained fleet of equipment is comprised of industry standard gear from the most trusted and reliable brands. And, we are committed to constant investment in a wide range of evolving production technologies, ensuring your needs are met under one roof.

Our team, comprised of experienced AV Techs, have a deep understanding of what works on-site, which is why we design our solutions with your show's success in mind. This approach saves you valuable time and money and eliminates any rental-related uncertainties.

We go the extra mile to ensure your gear arrives safely by providing custom-designed road case and rack solutions, simplifying the process of truck packs and giving you peace of mind. What's more our robust warehousing processes and rental software ensure every item you needs is supplied every rental.

We look forward to working with you.

The AVE Team.
